

PUSH-TO-TALK RADIO WALKIE TALKIE

RPC01

Realix RPC01 Push-to-Talk over Cellular (PoC) radio simplifies the way to communicate with your group members.

Realix RPC01 Push-to-Talk over Cellular (PoC) radio simplifies the way to communicate with your group members. This radio can be operated on the widely available public cellular network to deliver instant communications at the push of a button.

With its rugged, compact, and ergonomic design the RPC01 is easy for one-handed use in harshest of the environments. The built-in high power speaker delivers loud and clear audio so that you never miss a word in highly noisy environments. The 3,500 mAh battery can outlast your shift on a single charge.

It is the best choice for those engaged in supermarkets, hotels, logistics, industrial parks, urban and property management, etc.

KEY FEATURES

Best-in-class audio

The RPC01 provides loud and clear audio even in noisy environments. The built-in speaker ensures the speech is loud, and the distortion suppression and noise cancellation technologies are adopted to boost the audio clarity.

Reliable and durable

Certified with IP54 rating, the RPC01 is made to withstand water, dust, shock, extreme temperatures, and sudden drops of up to 1.0 meters. It always performs as expected despite the harsh environments.

IP54

Dust & Water Proof
